BETHANY HEALTH CARE CENTER

Established in 1961, Bethany provides short and long-term healthcare for Sisters of St. Joseph and members of other orders of women religious, as well as residents of the MetroWest and Metropolitan Boston communities. Named to the 2013 Honor Roll in U.S. News & World Report’s annual Best Nursing Homes, Bethany is included in the top-rated 39 nursing homes nationwide. Despite the financial challenges Bethany faces with an 83% Medicaid population, Bethany remains uncompromised in its delivery of healthcare as demonstrated in its national recognition and because of the kind generosity of its benefactors.

Bethany Health Care Center is a Section 501 (c) (3) organization. All contributions are tax-deductible according to state and federal regulations.
Bethany Health Care Center is proud to announce the 2013 “Making a Difference” Award honoree as Jack J. Shaughnessy, Sr., a leading Catholic philanthropist in and around the Boston area for more than fifty years. Jack has lavished his time, talent and treasure performing the Corporal and Spiritual Works of Mercy for countless others. Through his abundant gifts for those most in need, Jack has earned the Lord’s acclamation: ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ Jack has been a bulwark of support for such charitable institutions as Catholic Charities, the Shaughnessy Family Center at Laboure’ Center, the Congregation of the Sisters of St. Joseph of Boston, the Society of Jesus, the Oblates of the Virgin Mary, the Center for Delayed Vocations at Blessed John XXIII Seminary, Boston College High School, Thomas More College, Nativity Preparatory School of Boston, Fontbonne Academy, the Catholic Schools Foundation of Boston, and many others. Jack, also known as one of Boston’s leading businessmen, has been President & CEO, Shaughnessy & Ahern Co., continuing his father H. A. “Herbert” Shaughnessy’s legacy who followed in his father John J. Shaughnessy’s footsteps, co-founder of the company in 1916. (Coincidentally, this was the same year that the Sisters of St. Joseph received the donation of land that houses Bethany today.) Jack led the company through years of spectacular growth as it became a backbone in the construction of Boston as it is today. Jack’s deep faith, love for God, his family and his never-ceasing outreach to those in need, exemplify Bethany’s criteria for the “Making a Difference” Award. We salute Jack Shaughnessy for his commitment to Bethany’s mission, promoting and sustaining the delivery of quality healthcare and for “improving and making a difference” in the lives of others.

Emceeing the event will be Susan Wornick, WCVB-TV Anchor and member of Team 5 Investigates. Emcee for Bethany’s 1st annual “Making a Difference” Award dinner and Bethany’s 50th Anniversary Honoree, Susan is a valued member of our Bethany family. Susan is a 2012 recipient of the Robert F. Kennedy Children’s Action Corps, Embracing the Legacy Award and a champion of many causes throughout the Boston and Metro-West regions.
